2 Peter 1:16 KJV, "For we have not followed cunningly devised fables, when we made known unto you the power and coming of our Lord Jesus Christ, but were eyewitnesses of his majesty."

When you truly face the crisis moment in your life, the evidence will most certainly seem overwhelmingly convincing that you have based your faith and trust on cunningly devised fables! (That's why it's a crisis.) And remember, the devil is not trying to **prove** Gods Word invalid to you—he just wants to instill **a shadow of doubt**. Your only real defense against that overwhelming and compelling evidence is if you have personally been an eye-witness of God's glory and majesty—personally experienced an encounter with the awesome Presence.

In any legal decision, it is not the "I-heard-that-it- happened" witness that determines the outcome. It is the "I-saw-it-happen" witness that compels conclusion.

Faith in God's veracity cannot be based on hearsay. Only the eyewitness experience can stand in the face of crisis when the contrary circumstantial evidence is screaming at you. Only the **eyewitness of His majesty** can confidently affirm, "The power of Jesus in my life is NOT a fable!" Spiritual hearsay cannot refute apparent evidence—only the eyewitness can! Amen.
