

He is God, surely He could measure those blessings more precisely if so inclined. ("To the top" instead of "over the top.")

Lk.5:5 *And Simon answering said unto him, Master ...at thy word I will let down the net. 6 And when they had this done, they enclosed a great multitude of fishes: and their net brake. 7 And they beckoned unto their partners, which were in the other ship ... and they came and filled both the ships, so that they began to sink.*

They enclosed a net-breaking, ship(s) sinking haul of fish. I know God could easily have supplied just enough to fill their boat and you and I would still marvel at the account and they all would have been completely amazed and satisfied—but He provided so much that theirs and their partners' boats were filled to the point of sinking! Selah!
