Acts 3;19 KJV ...The times of refreshing shall come from the presence of the Lord;

There is no substitute for the refreshing found in the presence of the Lord. Whether sought through hours of therapy or days on vacation sipping iced tea on the beach... nothing compares to even a brief encounter with the King.

In the midst of life's challenges, there is no refreshment to the soul and spirit that equates to **the peace found only in Father's presence.**

Picture a six year old on his first day at school... apprehensive and unsure as he stumbles tentatively through a crowded hall filled with bigger and older students bumping and pushing... until his 11 year old brother appears at his side. Instantly all is well in his universe.

With big brother's arrival comes a supreme peace and confidence—a confidence that didn't exist as long as little brother felt distant.
