In Ex.14, the Israelites faced an insurmountable obstacle as they stood on the banks of the Red Sea. Several key principles have immediate application for us.

In order to cross your own "Red Sea", the impossible barrier in your life, you've got to first face the Red Sea. Triumphant crossing first requires a face-to-face show down. Every major victory you will ever experience will at some point look very much like the edge of destruction. Every triumph will inevitably be accompanied by the potential for and appearance of certain failure.

There are no victories without giants! Each victory comes equipped with its own giant and the bigger the conquest, the bigger the accompanying giant.

However, the Exodus 14 "Red Sea" account doesn't conclude at the obstacle or at the feet of the giant! Whatever and wherever the challenge, God always has the plan for your triumph.

Exo. 14:13 *And Moses said unto the people, **Fear ye not, stand still, and see the salvation of the LORD, which he will show to you today: for the Egyptians whom ye have seen today, ye shall see them again no more forever. 14** The LORD shall fight for you, and ye shall hold your peace.*
