What is the greatest treasure you own that you can offer God? Wealth? Creative Genius? Natural talent? (Apart from giving Him your heart, the recognized, essential requirement to our vertical relationship.)

Imagine with me that I possess first the capability then the willingness to sow \$1 million into the work of God's Kingdom. Is it conceivable that I could have another possession God values even more? In this SelahGram, we are discussing an ongoing opportunity that each of us equally enjoys, regardless of financial status or balance sheet. If you don't have a convenient \$1M or if you're unable to give \$10, you still possess another even more highly prized commodity that you can freely offer.

Time. Time given **not just FOR the Lord** and His work --**but TO the Lord.**

Time. No strings attached. No lists of requests, demands or complaints. Just your undivided time-given to Him. ...As if He Himself is truly your hearts greatest desire.

We so tend to minimize its value, allowing this precious commodity to sift through our grasp. One of satan's primary missions is to rob you and me of this

irreplaceable treasure.

An unusual "worship expression" is used throughout scripture. Psa 27:14 (KJV) says, *"Wait on the Lord... and he shall strengthen thine heart: wait, I say, on the Lord."* Psa 33:18 (AMP) declares, *"Behold, the Lord's eye is upon those who fear Him [who revere and worship Him with awe], who wait for Him..."*

Indeed, as John 4:23 states, *'the Father is actively seeking true worshipers.'*
