God's Heart's-Desire

Our worship relationship with God is not one sided -- but mutual. It's nothing like the image of a king riding into a conquered city on his stallion and all must "bow the knee" in obeisance... It was God's idea to create one individual for personal relationship rather than simply populating the earth and demanding "obeisance."

The Song of Solomon is a template for the Lord's desire toward us.

Song 2:13,14 *Arise, my love, my fair one, and come away... in the clefts of the rock, in the secret places... let me see thy countenance, let me hear thy voice; for sweet is thy voice, and thy countenance is comely. 13,14 AMP, Arise, my love, my fair one, and come away. [So I went with him, and when we were climbing the rocky steps up the hillside, my beloved shepherd said to me] O my dove, [while you are here] in the seclusion of the clefts in the solid rock, in the sheltered and secret place of the cliff, let me see your face, let me hear your voice; for your voice is sweet, and your face is lovely.*
