Happy New Year!

In Ex 12, God takes an amazing step with His people. He actually restarts Israel's calendar. Ex. 12:2 NKJV, "*This month shall be your beginning of months; it shall be the first month of the year to you.*"

Why was this occasion worthy of such an action-- discarding the existing calendar? It was not just due to their liberation and exodus from Egyptian bondage or the institution of the Passover. This occasion marked **the deliverance of the worshiper**. God's ultimatum to Pharaoh, declared 10 times throughout the earlier chapters of Ex. ("*Moses and Aaron went to Pharaoh and said, "This is what the LORD, the God of the Hebrews, says ... **Let My people go, so they can worship Me.**" Ex.10:3 NLT*), marked the end of 430 yrs. of bondage-*centuries without worship*.

After gaining their freedom, Ex.15 beautifully describes their victory party . Moses, sings, "*I will sing unto the Lord for He has triumphed gloriously ... The Lord is my strength and my song ... I will prepare Him an habitation.*" Later Moses continues, "*You have guided them in your strength unto your holy habitation.*" That's what God wanted all along!

From the house of bondage to the habitation of God ... *through worship!* Whatever your personal history, your ancestry, past failures or simply your regrets, **worship can truly restart your calendar!** Selah.
