### Silencing the Enemy!

A few days ago I was reminded of the power of Ps.8:2 *Out of the mouths of babes and unweaned infants You have established strength because of Your foes, that You might silence the enemy and the avenger.* AMP

Key elements of this verse: *out of the mouths of babes is strength to silence the*

*enemy.* Amen!

In Mt.21:16, Jesus quotes Ps.8 with an interesting clarification. *And Jesus saith unto them, Yea; have ye never read, Out of the mouth of babes and sucklings thou hast perfected praise.* (Equating *praise* with *vocalized strength*.)

Conclusion? Even a spiritual infant can wield this weapon! Even the smallest and simplest of the kingdom is able to absolutely silence the enemy- with the weapon of praise. Even the youngest in Christ is capable of strength and might ... IF he or she willfully fills their mouth with genuine praise: the **vocal, determined, whole-hearted kind!** Selah.

What about the issue of global warming? ...Hot topic! But is there a proper Christian perspective? Is *worship* part of the equation? Does God's Word address the subject in any way?
